2016 Ontario Bike Summit Agenda (updated: April 17, 2016) "What's Next for Cycling" - #OBS16

Summit Venue: Eaton Chelsea Hotel
33 Gerrard Street West, Toronto, ON

Tuesday, April 19, 2016

Pre-Summit Sessions

9 to 4.30pm
(Hotel Lobby)

Registration Open

10 to 1pm
(Meet at Hotel Bay Street Entrance)

Toronto Bike Ride and Tour (Sold Out)

- Mobile workshop and discussion led by Jacquelyn Hayward Gulati, Cycling Infrastructure & Programs Manager and City of Toronto staff. Explore some of downtown Toronto's newest cycling infrastructure including separated bike lanes on Wellesley Street and Sherbourne Street, contraflow lanes on Simcoe Street and the Waterfront Trail's multi-use paths. Bikes will be provided by Bike Share Toronto.

2 to 5pm
(Gerrard Room)

Bicycle Friendly Communities Seminar (max. 60 participants)

- The Bicycle Friendly Community Award (BFC) Program provides incentives, hands-on assistance, and award recognition for communities that actively support bicycling. Join this ever-popular in-depth session for participants looking to learn more about the BFC program, from submitting your first application to moving up the ranks. This year's seminar theme is "Lighter, Quicker, Cheaper" and we will be exploring high-impact, low cost projects that have been implemented across Canada to create more bicycle-friendly communities.

5 to 6pm
(Gerrard Room)

Committee 'Speed Dating': Get to Know Professionals at Work, Hosted by [APBP](#)

- Ever want to know who's doing what in Ontario for cycling? This session, hosted by the Association of Pedestrian and Bicycle Professionals (Ontario Chapter) is a chance to find out about various committees working to advance cycling in Ontario. You'll hear their purpose, who is part of it, and opportunities for you to get involved.

3 to 3:30pm

Networking Break

3:30 to 4:30pm

(Mountbatten Salon)

Closing Panel Discussion

- What's Next for Cycling Education in Ontario
 - Cycling education is changing in Ontario. The Share the Road Cycling Coalition and Cycling Canada are working together to build a more accessible, engaging and sustainable CAN-BIKE model that will see thousands more Ontario residents trained each year. Join us for this discussion and be the first to learn how the program is changing and what this means for your community.
